(learners responds)

(e) How many siblings are at your home? _____

(learners responds)

2. Task 2 Reading (Aloud)

Read the story (reading)

Many homes have househelps. They take care of homes and cook food. We can trust some househelps. Some househelps are tall and others short. In some homes, they wear green, yellow or pink uniforms. It is bad to trap children to work as househelps. When children work as househelps they do not have time to play. These children do not go to school. People need to take these children to school and track them to make sure they are learning at school, these children get to learn and play like other children.

SECTION B

TASK 3

READING COMPREHENSION

LANGUAGE STRUCTURE AND FUNCTIONS

Wambui shared her handkerchief with Njugi. Wambui started coughing too. Njugi was coughing and had a running nose. Their mother took them to the hospital. At the hospital, the nurse wore gloves and checked them. "You have a terrible flu," said the nurse. She gave them an injection each.

"To stop the flu, do not share a handkerchief. Always use a clean handkerchief. Eat fresh fruits to help your body fight sickness," said the nurse. Thank you. We will remember to take care of ourselves, said Wambui. Njugi and Wambui promised to clean their handkerchiefs everyday. Their mother was very glad her children were feeling better.

1. Questions
